Livermore Valley Wine Country Hosts Holidays in the Vineyards
December 7 & 8, Noon – 4:30 p.m.

Livermore Valley, Calif. (November 5, 2019)—'Tis the season to celebrate at Livermore Valley's annual wine country tradition, Holidays in the Vineyards. On December 7 and 8, between noon and 4:30 p.m. each day, the public is invited to visit the region's 50+ local wineries and enjoy award-winning wines, gourmet food, live music and unique arts and crafts by local artisans. Admission is free to all, though activities and wine tasting prices vary by winery.

Wineries across Livermore Valley will offer special wines for tasting, including barrel samples, ports and dessert wines. Santa Claus will visit with children of all ages at selected wineries, so be sure to check www.LVwine.org for Santa's schedule. Every participating winery also will host local artisans offering a wide variety of gifts for holiday giving including gourmet foods (honey, cookies, olive oils, chocolates), jewelry, holiday ornaments, wine barrel décor and fine art. Many wineries will also offer discounts on wine purchased during the event.

Livermore Valley Wine Country has partnered with Pacific States Petroleum for the 2019 Toys for Tots drive. Revelers are encouraged to spread holiday cheer by bringing new, unwrapped toys to their favorite participating wineries—some will reward donations with an extra wine taste. Pacific State Petroleum will match every toy donation (up to \$100,000) collected at the wineries during the event weekend and then deliver all of the toys to the military to distribute to local children.

For a full list of special wines, discounts, activities, vendors and prices organized by winery, please visit www.LVwine.org.
