## Explore Vasco Road's Walkable Urban Wineries

**1** [Wood Family Vineyards](#), a family run winery that specializes in limited production and hand-crafted wines. Rhonda Wood, a retired commercial pilot, is the head winemaker and shows her excellence through their lineup of crowd favorites, such as Muy Bueno zinfandel and Para Mis Amigas chardonnay. If you're a live music fan, stop by Wood Family Vineyards for Acoustic Wednesday's or Fun Friday's, to experience a rotation of local musicians and funky bands. Located at 2407 Research Drive.

**2** Continue down Research Drive, and around the corner you will find yourself at [Arroyo Cellars](#). A boutique winery that has evolved over 20 years of friendship. They pride their tasting room as a place for family and friends to enjoy each other's company and the "the necessities of life," food and wine. Stop by Arroyo Cellars to learn about their wines and the generations of winemaker's knowledge put into each bottle of wine they make. Located at 2270 Research Dr.

**3** [Longevity Wines](#), not far from where Vasco Road meets Tesla. Proprietor and Winemaker, Phil Long, operates this boutique, urban-style winery with a focus on quality, not quantity. He handles everything from bin to bottle, and all the wines are produced in small batches with a hands-on approach to quality control. Favorites in the barrels will always include Cabernet Sauvignon, Merlot, Debrueve

(the signature Rhone Style blend of Syrah, Grenache, Mourvèdre, and Petite Sirah), and Philosophy (Bordeaux style blend) Located at 2271 S. Vasco Road.

**4** Right next door to Longevity Wines, you will find [Embodied Wines](#), a rustic tasting room with industrial design. Owners Stephen and Kimmie Spears specialize in micro-lots that develop under close supervision with a hands-off approach allowing natural evolution; producing varietally expressive wines that embody the region the fruit. Kimmie is a licensed Falconer and loves to promote and educate the art of Falconry and the benefits of incorporating it in the grape growing process. Stop by Embodied Wines and you might have the chance to meet her beautiful birds of prey. Located at 2271 S. Vasco Rd. Ste D.

**5** Just two blocks down from Embodied Wines is [Omega Road Winery](#). A father daughter duo not only runs the winery but are also the winemakers. As winemakers at Omega Road Winery, they strive to maintain varietal characteristics while building complex flavors. As owners, they want Omega Road Winery to be more than a place to enjoy great wine, but truly a place to build friendships. Their unique wines are only offered inside their tasting room, so be sure to stop by and try their delicious wines. Located at 2135 S Vasco Road Unit C.
