

DAN ROSENBERG + BOB BOSSI

CO-OWNERS & WINEMAKERS AT DANTE ROBERE VINEYARDS

WHAT IS YOUR FAVORITE VARIETAL OF WINE?

DR: I Like varietals that aren't necessarily in the main stream. Currently I am always looking for someone who is making Carignane and Alicante Bouchet - two incredible grapes.

WHAT IS ONE OF THE MOST REWARDING THINGS ABOUT YOUR JOB?

BB: It is extremely satisfying when visitors to the Tasting Room thank us for a great experience. We take pride in having a winery where people feel comfortable, appreciated, and of course enjoy great wines.

WHAT'S YOUR FAVORITE PART ABOUT THE LIVERMORE VALLEY AS A WINE REGION?

DR: I love the fact that despite us being in competition with each other, we all get along and root for each other to do well. Livermore has changed drastically the last 15 years- the quality of the wines is now off the chart and it's great being a part of that transformation.

WHAT PROMPTED YOU TO PURSUE WINEMAKING AS A CAREER?

BB: The experiences I enjoyed before getting into the business of going to small wineries featuring unique quality wines, face to face interactions with winemakers, and having fun with family and friends in intimate tasting rooms, created a desire to be on the other side on the tasting room counter, offering my own wines and tasting room experiences for others.

WHEN YOU ARE ALL WINE-D OUT, WHAT IS YOUR DRINK OF CHOICE?

DR: Rum and coke

WHO WOULD YOU WANT TO SHARE A BOTTLE OF WINE WITH, LIVING OR NOT - AND WHY?

BB: My father, who passed away in 2012, the year we started the winery. For years, my father and I enjoyed many evenings having a glass of wine sitting out on the patio or sitting on the sofa watching a ball game. He never got to enjoy any Dante Robere wines....I think he would have enjoyed that very much...as would have I.

WHAT WOULD A WORLD POPULATED BY CLONES OF YOU BE LIKE?

DR: A disaster!

WHAT'S YOUR FAVORITE PLACE IN THE WORLD YOU'VE VISITED?

BB: The Canadian Rockies. The beauty, tranquility, wildlife and solitude of those mountains is something I will always remember, and hope to enjoy again in the future.

"Livermore has changed drastically the last 15 years- the quality of the wines is now off the chart and it's great being a part of that transformation."

HISTORY

Dan Rosenberg and Bob Bossi have been friends for more than 30 years. Bob had already enjoyed drinking and learning about fine wines for many years but when Dan moved to Livermore in 2003, he too got the "wine bug" and then the future of "Dante Robere" started to take shape. Their passion for quality wine sent them on trips to most of the finest wine regions in California, always visiting their preferred smaller family run wineries.

The experiences of meeting and talking with winemakers, having fun with family and friends in the intimate tasting rooms, and enjoying quality wines, inspired a dream of theirs to be standing behind their own counter and pouring their own wines.

In 2007, they planted a small Zinfandel vineyard in Dan's backyard and began making wine at home. This was no easy task for an ex-accountant and former insurance agent but the challenge didn't stop them. They volunteered their time assisting various Livermore Valley winemakers in an effort to learn the winemaking processes while dreaming of turning their hobby and passion for wine and winemaking into a second career. The thought of developing a winery and a tangible business that their children could become a part of, and someday embrace, was a powerful motivator.

In 2012, the families officially decided to build a new winery from the ground up. They found the perfect property across the street from Sycamore Grove Park on Wetmore Road and purchased the adjoining 6-acre Syrah vineyard.

In July 2015, Dante Robere Vineyards opened its doors at 1200 Wetmore Road.

WINES & VINES

Dan + Bob's goal is to make wine from Livermore Valley winegrapes when possible but also to procure quality grapes from other wine growing regions that are well suited to certain unique varietals. Their estate-grown Syrah blended wines featuring the estate Syrah, and other Rhone varietals such as Grenache and Mourvedre are their acclaimed signature wines. But they also produce the stalwart varietals such as Cabernet Sauvignon, Zinfandel, Petite Sirah, Chardonnay, as well as more unique wines such as Tempranillo, Touriga, and Barbera.
