

GRIFFIN BEEMILLER

WINE GUY AT NELLA TERRA CELLARS

DO YOU HAVE A GO-TO WINE AND FOOD PAIRING?

Lately my favorite has been our 2016 Pinot Noir paired with Salt Craft's Lamb Pastrami.

WHAT WINE VARIETAL DO YOU THINK IS UNDERRATED?

Viognier – It's often overlooked and this Rhone varietal is packed with floral, fruity aromas. We're often asked how it compares to Chardonnay when really it stands on its own. We like to play around with how this varietal best presents itself. Last year we made a Sparkling Viognier that really shines.

WHAT IS ONE OF THE MOST REWARDING THINGS ABOUT YOUR JOB?

Creating something that has grown from the land that I was raised on and being able to spend most days outside and witness first-hand Mother Nature interacting with the terroir and its effects on our vines. We love opening our doors and sharing this with our guests.

WHAT'S YOUR FAVORITE PART ABOUT THE LIVERMORE VALLEY AS A WINE REGION?

The winemakers and owners in Livermore Valley are so friendly and easy to talk to. Tasting room experiences across the valley are personal; everyone is genuinely happy to see you when you walk through the door. Great wine is made here and with good wine and good people you're sure to have a memorable experience.

WHAT ACTOR/ACTRESS WOULD PLAY YOU IN A MOVIE ABOUT YOUR LIFE?

A young Chevy Chase or Keanu Reeves. I get Chevy Chase all the time but recently with the long hair it's more John Wick references.

WHAT'S YOUR FAVORITE PLACE IN THE WORLD YOU'VE VISITED?

It's really hard to choose. On a recent trip to Spain I enjoyed that each region specialized in a wine varietal and they had a regional-specific dish that paired perfectly with the wine.

IF YOU COULD EAT ONE MEAL FOR THE REST OF YOUR LIFE, WHAT WOULD IT BE?

Breakfast tacos for every meal. Living in Austin really had an effect on me.

WHAT BRINGS YOU THE GREATEST JOY?

My wife, we're expecting our first tiny human in February.

"Great wine is made here and with good wine and good people you're sure to have a memorable experience."
